EVENTS ORGANIZED

International School of Technology & Sciences for Women organized a seminar on the topic "Right Food for Better Life" on 04.01-2025. The event was held with the aim of raising awareness about the importance of balanced nutrition for a healthier lifestyle.

The seminar featured Ms. A. Chaitanya, a distinguished dietician from Adarsh Hospitals, Rajahmundry (RJY), as the Resource Person. Ms. Chaitanya delivered an insightful session on the significance of consuming the right food and how it impacts overall health and well-being. Her session covered practical dietary tips, the role of nutrition in preventing diseases, and the importance of cultivating mindful eating habits.

International School of Technology & Sciences for Women successfully organized a Workshop for Diploma Students by HL Mando Anand Pvt Ltd, Chennai on January 31, 2025.

EVENTS ORGANISED

Innovation

The National Science Day with the theme "Empowering Indian Youth for Global Leadership in Science and Innovation for VIKSIT BHARATH" was organised on 28.02.2025 and 1.03.2025.

EVENTS ORGANISED

The NSS unit of the International School of Technology & Sciences for Women successfully organized a National Voters Day on January 25, 2025

The NSS unit of the International School of Technology & Sciences for Women successfully organized a 2025-02-04 Awareness program on Road Safety and traffic rules, on February 04, 2025

The NSS unit of the International School of Technology & Sciences for Women successfully organized a National Voters Day on January 25, 2025

International School of Technology & Sciences for Women successfully organized Sports meet on March 17 to 22, 2025

EVENTS ORGANIZED

The NSS Unit of the International School of Technology & Sciences for Women organized a program to commemorate the birth anniversary of “Savitribai Phule”, on 03rd January 2025, the first female teacher of modern India, known for her significant contributions to women's education and social reform.

The NSS unit of the International School of Technology & Sciences for Women successfully organized a Rangoli Competition on January 4, 2025, at 2:00 PM, in collaboration with Eenadu TV. The event witnessed overwhelming participation and enthusiasm, showcasing the creativity and talent of our students.

An impressive 70 batches of students participated in the competition, creating vibrant and artistic rangoli designs. The event was particularly remarkable given the short notice; despite being announced just a day prior, the students displayed extraordinary energy, enthusiasm, and teamwork, making the event a grand success.

The NSS unit of the International School of Technology & Sciences for Women successfully organized a National Voters Day on January 25, 2025

EVENTS ORGANISED

Global Experts Converge at ISTS-W for Engineering & Medical Sciences Conference

DECCAN NEWS SERVICE
RAJAHMUNDRY

The International School of Technology and Sciences for Women (ISTS-W), Rajahmundry, hosted a prestigious two-day International Conference on Advances in Engineering and Medical Sciences on April 14 and 15, 2025, at its campus located in East Gogandem, Rajanagaram.

Participants presented technical papers and engaged in thought-provoking discussions on topics such as biomedical engineering, computational biology, and sustainable engineering solutions. The event served as a vibrant platform to bridge the gap between engineering and medical sciences, encouraging knowledge exchange and collaboration.

Participants presented technical papers and engaged in thought-provoking discussions on topics such as biomedical engineering, computational biology, and sustainable engineering solutions. The event served as a vibrant platform to bridge the gap between engineering and medical sciences, encouraging knowledge exchange and collaboration.

The conference brought together researchers, academicians, and industry leaders from across the globe to share insights on interdisciplinary innovations and emerging technologies. Keynote speakers included Dr. Tahera Jafari from Oman International Maritime College, Dr. Deeptha from SRMIST Chennai, and renowned researcher Dr. G.N.R. Prasad.

ISTS receives best engg college for women award

DEEKSHITULA SUBRAHMANYAM RAJAHAMENDRASARAM

THE International School of Technology and Sciences for Women (Autonomous), ISTS has been awarded the "Best Engineering College for Women - 2025" by Asia Today Media at the World Education Summit held on April 30 at Hotel The Park, New Delhi.

The award was presented by Union Minister Raj Bhushan Choudhary, Delhi Deputy Speaker Mohan Singh Bisht, and High Commission Counsellor Nilesh Kumar. ISTS Chairman K Upender Reddy received the award and credited the institution's faculty, leadership, and students for the achievement.

ISTS Chairman K Upender Reddy receiving the award

Reddy said that ISTS focuses on an industry-oriented curriculum in collaboration with companies like Accenture and Cognizant. He noted the institution's 100% placement record for 2023-24 and expressed confidence in continuing the trend in 2025. With emphasis on AI, Machine Learning, Data Science, Cybersecurity, Electronics, and Agricultural Engineering, ISTS aims to prepare students for global workforce demands, he added. Reddy also thanked Vice-Chairperson V Anusha Reddy, Principal Dr Y Rajeswari Rao, and all departments for their support.

Congratulations
Celebrating a Prestigious Achievement!
Best Women's Engineering College

The award was presented by
Shri Raj Bhushan Choudhary, Honorable Minister of Jal Shakti, Government of India
Shri Mohan Singh Bisht, Deputy Speaker of the Delhi Legislative Assembly
Mr. Nilesh Kumar, Honorable Counsellor, High Commission of the Republic of Fiji

“On 08 January 2025, the Agriculture Department planted a vision for tomorrow by constructing a new greenhouse—growing hope, innovation, and sustainability for future generations.”

TRAINING AND PLACEMENT

Our students undergo rigorous training from first year of UG studies to equip them with all the skills required to get placed in top MNCs

We are very proud to announce that every final year student has a job in hand before they graduate from our Institution

In the present final years, 301 students have been placed in various companies. Highest pay package is 10 LPA.

The average Pay package is 4.75 LPA, ACCENTURE (SDE), TATA Consultancy Services (TCS) ,Ninja PEGA, COGNIZANT, BOSTON IT solutions Pvt Ltd, QSPIDER ,LEGATO, Palle Technologies-CSRINFOSYS Limited (PEGA) Rinex Technologies,Tech Mahindra-PEGA,COGNIZANT(GenC Next)

OUR RESEARCH CONTRIBUTIONS

Innovation

291 papers have been published in peer reviewed journals SCOPUS, SCI and UGC care

- 1. Paidimalla Naga Raju, Associate Professor, ECE Published a Paper entitled "Implantable Bio-Electronic Devices for Health Monitoring" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 2. Navya Padma Priya, Assistant Professor, ECE Published a Paper entitled " Energy-Efficient Wireless Body Area Networks for Healthcare" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 3. Dr Prasad Rayi, Associate Professor, ECE Published a Paper entitled "Contactless Vital Sign Monitoring using Radar-Based Sensors " in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 4. Rayudu Vinay Kumar, Associate Professor, ECE Published a Paper entitled "AI-Driven Metamaterial Antenna Design: A Review" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 5. D. N. V. S. Vijaya Lakshmi, Associate Professor, ECE Published a Paper entitled " 3D-Printed Antennas for Satellite Communication" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 6. Venkata Durga Pavan Kumar, Assistant Professor, ECE Published a Paper entitled "Swarm Robotics for Disaster Management" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 7. Eedarada Divya Ratna Manikyam, Assistant Professor, ECE Published a Paper entitled " AI-Based Mimo Antenna Optimization " in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 8. Dr. Rajasree Yandra, Professor, ECE Published a Paper entitled " AI-Powered Beamforming for Next-Gen Wireless System" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 9. Bojja Anvesh, Assistant Professor, ECE Published a Paper entitled " Low-Power RF Energy Harvesting Antennas" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 10. G Naga Jyothi, Assistant Professor, ECE Published a Paper entitled "Deep Learning for Next-Gen Audio Enhancement Systems " in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**
- 11. Dr Rama Subbanna, Associate Professor, ECE Published a Paper entitled "AI-Powered Super-Resolution Techniques for Satellite Imaging " in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4**

12. Mamatha B, Assistant Professor, ECE Published a Paper entitled " Phased Array Antennas for MMwave Applications" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

13. Akkiseti V N Hanuman, Assistant Professor, ECE Published a Paper entitled " Quantum Computing for Advanced Image Processing Applications" in International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

14. K Chinna Nagaraju, Associate Professor, CSE Published a Paper entitled "Artificial Intelligence Model for Cyber Security " in International Journal of Novel Research And Development Vol. 09, Issue 10

15. Mr A Venkata Raju, Associate Professor, CSE Published a Paper entitled "Privacy Preserving Machine Learning in Healthcare" International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

16. Vankayala Anil Santhosh, Associate Professor, CSE Published a Paper entitled "Smart Device for Predictive Risk Management in Investments with Machine Learning " International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

17. Mrs Ch Anusha, Associate Professor, CSE Published a Paper entitled "Integrating Deep Learning Techniques for Enhanced Object Detection in Self-Driving Cars" International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

18. Mr M Narasimha Rao, Associate Professor, CSE Published a Paper entitled "Optimizing Point of Care Interaction with Speech Recognition to Preserve Learnability and Intelligibility " International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

19. Mrs Sirisha Balla, Assistant Professor, CSE Published a Paper entitled "Cervical Cancer Segmentation and Classification from Pap Smear Images using Deep Neural Networks " International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

20. Mr Garapati Suresh, Associate Professor, CSE Published a Paper entitled "Developing Knowledge-Centric Frameworks for Enhancing Web Search Diversity through Semantic Artificial Intelligence " International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4

21. Amuloju Bala Bhavani, Assistant Professor, CSE Published a Paper entitled "Time Series Analysis of Cognitive Scores for Alzheimer's Prediction: An LSTM Deep Learning Approach " International Journal of Intelligent Systems and Applications in Engineering (IJISAE). Volume No. 12, Issue No. 4
