NSS Unit Code	90214427
Event Type	Vote awareness
Title of the Event	Vote awareness
Event Start Date	7/3/2024
Event End Date	7/3/2024
Number of participants	15
Description	<p>Voting plays a crucial role in upholding the principles of democracy, ensuring that every individual has a voice in shaping the community and society at large. Recognizing its significance, an impactful voting awareness campaign was conducted on March 7, 2024, at our esteemed institution, the International School of Technology and Sciences for Women.</p> <p>Led by the dedicated NSS Volunteers, including students and faculty members, the campaign primarily targeted the ministerial staff, comprising Sweepers, Scavengers, and Attenders, as well as the student body.</p> <p>The central theme of the awareness drive was encapsulated in the slogan "MY VOTE IS MY RIGHT - POWER OF ONE VOTE."</p> <p>The enthusiastic NSS Volunteers took the initiative to educate the uneducated staff members within the college premises. They passionately conveyed the importance of each individual's vote and how it contributes to the broader democratic process. The campaign aimed to instill a sense of civic duty and responsibility among all participants.</p> <p>Taking the mission beyond the college walls, NSS Volunteers extended their reach to the nearby village of Gonagudem. Here, they engaged with the villagers, imparting knowledge about the significance of voting and the transformative power that lies within a single vote. This outreach was a testament to the commitment of our college community to foster civic awareness not only within the institution but also in the surrounding areas.</p> <p>The successful execution of this voting awareness program was made possible by the collaborative efforts of the College NSS Unit, led by Mrs. G. Srilakshmi, along with the active involvement of the Administrative Officer, Heads of Departments, NSS Volunteers, and the enthusiastic student body. Students from various departments actively participated in the campaign, showcasing their eloquence and passion for the cause.</p> <p>The voting awareness campaign served as a platform to nurture and promote social responsibility and community development among the students. It provided them with an opportunity to harness their skills and contribute meaningfully to society. The engagement of students in this activity was commendable, reflecting their genuine commitment to creating positive change.</p> <p>The tireless efforts and initiative displayed by the participants were widely</p>

appreciated by both the college community and the villagers. This event not only kept the students actively engaged but also reinforced the values of civic responsibility and active participation in the democratic process. It is through such initiatives that we continue to inspire and empower the future leaders of our society.

Description

The ISTS-NSS volunteers, in collaboration with PHC East Gonagudem, Rajanagaram, East Godavari, embarked on a commendable initiative by organizing a One-day Pulse Polio Campaign as part of National Immunization Day (NID). They administered polio drops to children below five years at East Gonagudem, PHC. The active involvement of dedicated volunteers, combined with the support of the local community, played a pivotal role in advancing the cause of polio eradication. This campaign not only contributes to national health goals but also underscores the significance of community engagement in achieving public health objectives.

The ISTS-NSS volunteers actively participated in the Pulse Polio Drive organized by the Ministry of Health & Family Welfare, Government of India, in East Gonagudem, Rajanagaram, East Godavari. Let the victory over polio continue with two drops of life.

ISTS-NSS, in collaboration with PHC associates, witnessed the purest smiles during the "Pulse Polio Campaign" held at East Gonagudem village, Rajanagaram. Our ISTS volunteers, accompanied by a team of trained professionals, inoculated children aged between 0-5 years, shielding future generations against the terror of polio. This heartening effort exemplifies the collective commitment to ensuring a polio-free future and highlights the positive impact of community-driven health initiatives.

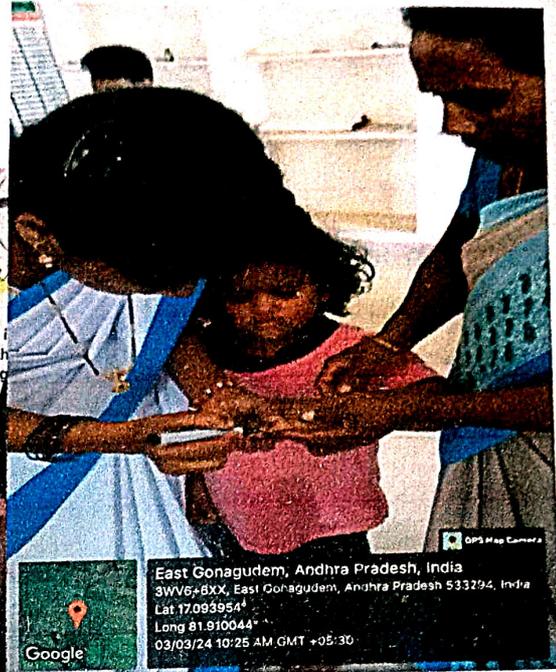

Mrs. G. Srilakshmi, NSS Program Officer at ISTS Women's Engineering College, led a camping initiative alongside the Administrative Officer and dedicated NSS Volunteers as part of the Community Development Program.

Event Start Date	7/3/2024
Event End Date	7/3/2024
Number of participants	42
Description	<p>On the eve of Women's Day in 2024, the International School of Technology and Sciences for Women organized an impactful Essay Writing Competition for B.Tech students as part of the NSS (National Service Scheme) activity. Spearheaded by Mrs. G. Srilakshmi, the dedicated NSS Programme Officer, the event witnessed active participation from students across various departments. Administrative Officer and Heads of Departments (HODs) played pivotal roles in ensuring the smooth execution of the competition.</p> <p>The primary objective of this event was to foster awareness and understanding of women empowerment among the student community. Students were encouraged to express their thoughts and perspectives through the medium of essay writing, providing a platform for them to articulate their views on this crucial subject.</p> <p>Following a rigorous evaluation process, deserving students were awarded First, Second, and Third prizes, acknowledging their excellence in essay composition. Additionally, all participants received certificates of participation, recognizing their valuable contribution to the initiative. This competition not only showcased the intellectual prowess of the students but also served as a commendable effort by the International School of Technology and Sciences for Women to instill a sense of social responsibility and awareness regarding women empowerment within the academic community.</p>

Ms. G. Sri Lakshmi, NSS Program Officer, played a pivotal role in spearheading this program, collaborating closely with administrative officer Mr.M.Ahsan Iqbal and NSS Coordinator Mr.R.Suresh, alongside the enthusiastic participation of CSE Department NSS volunteers. Their collective efforts have left an indelible mark on fostering a cleaner and healthier campus environment.

(Data Science)

Topic : WOMEN'S DAY

1. Women's Rights Movements examine the history of women's rights movements and the progress made towards achieving gender equality. Discuss the role of activism and advocacy in driving social change.

Intersectionality:- Explore the intersectionality of the gender with other aspects of identity such as race, ethnicity, class, sexuality, and ability. Discuss how multiple forms of discrimination intersect and impact women's experiences differently.

Women in STEM:- Spotlight women's contributions to science, technology, engineering and Mathematics (STEM) fields. Discuss the importance of encouraging girls to pursue careers in STEM and address the gender gap in these industries.

Women's health and well being:- Address the importance of prioritizing women's health and well being. Discuss the challenges women face in accessing health services and the need for gender responsive policies and initiatives.
