Description	<p>On the event,CSE Department cooperation with Ms G. Sri Lakshmi, NSS Program Officer, Guest Lisa bright played a pivotal role in spearheading this program</p> <p>Indian Constitution Day Speech</p> <p>Good morning respected teachers and my dear friends.</p> <p>Today, we have gathered here to celebrate Indian Constitution Day, observed every year on 26th November. On this day in 1949, the Constitution of India was adopted, and it came into effect on 26th January 1950, marking the birth of the world's largest democracy.</p> <p>The Constitution of India is not just a book of laws. It is the foundation of our nation, reflecting the values of justice, liberty, equality, and fraternity. These ideals guide our country and remind us that every citizen is equal, regardless of religion, caste, gender, or background.</p> <p>Our Constitution was drafted under the leadership of Dr. B. R. Ambedkar, the Chairman of the Drafting Committee. His vision and dedication ensured that India became a nation where citizens are given fundamental rights as well as fundamental duties. While our rights protect our freedom, our duties remind us to be responsible, disciplined, and respectful citizens.</p> <p>The Constitution also teaches us the importance of unity in diversity. Despite having different languages, cultures, and traditions, we are united as Indians. This unity is the strength of our nation.</p> <p>As students and future citizens of India, it is our responsibility to understand, respect, and follow the Constitution. By obeying the law, respecting others, and contributing positively to society, we can help build a stronger and better India.</p> <p>On this Constitution Day, let us pledge to uphold the values of our Constitution and work towards a nation that is fair, peaceful, and inclusive.</p> <p>Thank you.</p>
