Our Research Contributions

- ◆ Our college has a strong research and development cell. Three patents have been published under CSE and ECE . We have got approval for establishing research centre for ECE in association with our affiliating university.
- ◆ National Symposium on Role of Faculty in Implementing NEP 2020 and Inculcating research culture in technical Institutes was conducted in Aug 11-12, 2023. This was sponsored by NAAC
- ◆ National Symposium on High Performance Computing Applications using AI for Bioinformatics and Bio Medical Applications was conducted on July 14-15,2023 and was sponsored by CSIR
- ◆ Many papers have been published in peer reviewed journals SCOPUS, SCI and UGC care
- ◆ Twenty staff members are pursuing their Ph.D in various universities .
- ◆ Organized an International Conference on Advances in Engineering and Medical Sciences on April 19-20 , 2024 and this conference is in collaboration with University of Technology and Basic Sciences , Oman , Samarkand State University , Society of Public Health Experts and OSIEG

Guest Lectures, workshops and Industrial Training:

- ◆ A number of endowment lectures on recent technological advancements, personality developments and soft skills have been organised throughout the year.
- ◆ Workshop on Data Science using Python was conducted by CSE dept and Workshop on IOT and Cyber Security was conducted by dept of ECE. A 24 hour Hackathon was organised by dept of CSE Feb 2024 . Dark Pattern Buster Hackathon was conducted in collaboration with Ministry of Consumer Affairs and IIT Varnasi Jan 2024
- ◆ B.Tech final year Agriculture Engg students visited Banana Research Centre YSR Horticulture University thus promoting experiential learning.

Training and Placement

Our students undergo rigorous training from first year of UG studies to equip them with all the skills required to get placed in top MNCs

We are very proud to announce that all our final year students have a job in hand before they graduate from our Institution.

Events Organised

We celebrated all important international days, national days and festivals to create awareness on global perspectives, culture and individual responsibility towards world sustainability. They include, International Womens day, International Yoga Day, Engineers Day Independence Day, etc. through NSS. To give awareness of our Indian Culture and heritage Bathkamma festival, Sankranthi, Vinayaka Chavithi, Holi festivals are celebrated .

We felicitate the students who have secured job in campus placements or represent our college at Regional , National or International level. Happy to state that Management is providing 50% fees concession for such students.

Alumni are the backbone of any institution and the success of ISTS is in establishing and maintaining meaningful relationships with them. An Alumni meet was conducted in Dec 2023.

We believe in providing holistic education and focus on providing exposure to students through content beyond educational sessions, project competitions and technical and nontechnical competitions. This year we had organized many educational sessions in the form of webinars, seminars, workshop and training programmes.

As social responsibility initiatives we serve to the under privileged section of the society, connect with school students and guide them on career choices and be sensitive about environment degradation and take steps to protect it. In this line we had donated provisions and medical aids to charity organizations, connected with schools providing career guidance and taken green environment initiative

Sports Achievements:
