Seminar on Experiential and Active Learning by Deputy Director SRM Univ

B.Tech final year Agriculture Engg students visited Banana Research Centre YSR Horticulture University thus promoting experiential learning.

Training and Placement

Our students undergo rigorous training from first year of UG studies to equip them with all the skills required to get placed in top MNCs

We are very proud to announce that all our final year students have a job in hand before they graduate from our Institution.

Events Organised

We celebrated all important international days, national days and festivals to create awareness on global perspectives, culture and individual responsibility towards world sustainability. They include, International Womens day, International Yoga Day, Engineers Day Independence Day, etc. through NSS. To give awareness of our Indian Culture and heritage Bathkamma festival, Sankranthi, Vinayaka Chavithi, Holi festivals are celebrated .

We felicitate the students who have secured job in campus placements or represent our college at Regional , National or International level. Happy to state that Management is providing 50% fees concession for such students.

Alumni are the backbone of any institution and the success of ISTS is in establishing and maintaining meaningful relationships with them. An Alumni meet was conducted in Dec 2023.

We believe in providing holistic education and focus on providing exposure to students through content beyond educational sessions, project competitions and technical and nontechnical competitions. This year we had organized many educational sessions in the form of webinars, seminars, workshop and training programmes.

As social responsibility initiatives we serve to the under privileged section of the society, connect with school students and guide them on career choices and be sensitive about environment degradation and take steps to protect it. In this line we had donated provisions and medical aids to charity organizations, connected with schools providing career guidance and taken green environment initiative.

Sports Achievements:

- ◆ Ms. Hemangini, a second -year B.Tech student with Roll No. 236W1A0530, has accomplished a remarkable feat by securing a Gold Medal in the 10K Running Athletics event at the JNTUK-USC Inter-Collegiate Championship.
- ◆ Ms K.Hemangini for securing 1st place (Gold Medal) in the 15 km running event at the JNTUK Intercollegiate Athletic Championship, held on 11th November 2024
- ◆ Ms. N. Saradha Padmavathi, a second year B.Tech student, won the FIRST prize in the Girls Under-23 category at the District Athletics Meet. The Athletics Association of East Godavari organized the event at Government College (A), Rajamahendravaram on August 11, 2024.
- ◆ Ms. Hemangini, a second-year B.Tech student, secured 3rd place in the 10km Cross Country Selection Trials. Her exceptional performance has earned her a well-deserved spot in the state-level competition, scheduled for December 23, 2024.

In the words of Howard Gardner “The goal of education is to help people use their mind better”. In other words, it should enable people to think critically, evaluate and analyses situations logically, offer creative and practical solutions and also identify right potentials for action.
