

IQAC REPORT

Academic Year 2025-26

Conducted Events and Academic & Administrative Audit

1. Introduction

The Internal Quality Assurance Cell (IQAC) of International School of Technology and Sciences for Women is actively working towards strengthening and sustaining quality in academic and administrative processes. During the academic year 2024-25 and till date, IQAC organized various quality-focused events and conducted Academic & Administrative Audit (AAA) to ensure continuous improvement and compliance with accreditation standards.

2. Conducted Events by IQAC

During the academic year, the following events were organized under the guidance of IQAC:

1. Workshops and Faculty Development Programs on **Outcome-Based Education (OBE)**
2. Orientation programmes on **NBA, NAAC, and NIRF accreditation requirements**
3. Seminars and guest lectures on **innovative teaching–learning practices**
4. Research promotion activities including **IPR awareness and research methodology**
5. Student-centric activities such as **seminars, paper presentations, and project expos**
6. Skill development and employability enhancement programmes
7. Awareness programmes on **ICT tools, e-learning platforms, and NPTEL/SWAYAM courses**

These events contributed significantly to academic enrichment, faculty competence, and student skill development.

3. Academic & Administrative Audit (AAA)

3.1 Objectives of the Audit

1. To evaluate the effectiveness of academic processes
2. To assess administrative efficiency and governance
3. To identify strengths and areas for improvement
4. To enhance quality assurance mechanisms

3.2 Scope of the Audit

The audit covered the following areas:

1. Academic planning and curriculum implementation
2. Teaching–learning and evaluation processes
3. Faculty performance and professional development
4. Research, innovation, and extension activities
5. Administrative procedures and student support services
6. Infrastructure and learning resources

3.3 Audit Process

1. Constitution of Internal Academic & Administrative Audit Committee
2. Department-wise collection and verification of data
3. Review of academic and administrative records
4. Interaction with Heads of Departments, faculty, and staff
5. Documentation of observations and recommendations

3.4 Major Observations

1. Academic calendar was effectively implemented
2. Increased adoption of ICT-enabled teaching methods
3. Improvement required in documentation and timely data updating
4. Research output and industry interaction need further strengthening

4. Action Taken Report (ATR)

Based on the audit observations, the following actions were initiated:

1. Departments were instructed to strengthen documentation and record maintenance
2. Faculty members were encouraged to participate in FDPs and research activities
3. Website-based data management was streamlined through IQAC monitoring
4. Initiatives were taken to enhance industry interaction and consultancy activities

5. Outcomes

1. Improved academic planning and monitoring
2. Strengthened internal quality assurance practices
3. Enhanced preparedness for accreditation and ranking processes
4. Development of a sustained quality culture within the institution

6. Conclusion

The conducted events and Academic & Administrative Audit under IQAC have played a vital role in promoting quality enhancement and continuous improvement.

IQAC remains committed to achieving academic excellence and institutional effectiveness.
